

Saint Thomas More

CLUB

Hello again from the Saint Thomas More Pokemon Club! This time, we are searching for students K-5 that would like to join the Pokemon Club! Meetings will take place on Wednesday afternoons for 45 minutes every week, as mentioned in our previous notice. (3:00-3:45) The children in this club will bring in Pokèmon trading cards to trade with other students and do Pokèmon battles with their cards. To participate in this activity, students must bring their set of Pokemon trading cards and drop them off in the bin as they enter school. At 3:00 they will receive their cards once they enter the room that the Pokemon Club is using. We hope you will sign up, and good day!

Sign Up!

My child would like to become a member of the Saint Thomas More Pokemon Club!
