Items of Interest and Importance, June 2nd, 2017

WE NEED YOUR FEEDBACK AND VITAL INPUT

At the close of each year, the school administration, AdvancEd committee, and/or School Advisory Board, surveys parents using AdvancEd surveys (year 2 and year 5 of the accreditation cycle), or a more abbreviated version on the years in-between. LUCKY YOU, this year it's the abbreviated version! This data has been applied each year for planning professional development, monitoring long-term improvement processes, and even generating new programs and systems within our school. This year, the AdvancEd Committee picked specific AdvancEd survey areas that apply directly to the School Improvement Plan. The higher the response rate, the more accurately we can respond to parent input. All responses are anonymous and confidential.

- **FOR ALL FAMILIES:** Please complete this 10 minute survey using the link below.

<https://www.surveymonkey.com/r/YFC7GSG>

- **FOR FAMILIES WITH A GRADUATING 8TH GRADER:** There is important information we collect from families with graduates that is specific to a final year reflection.

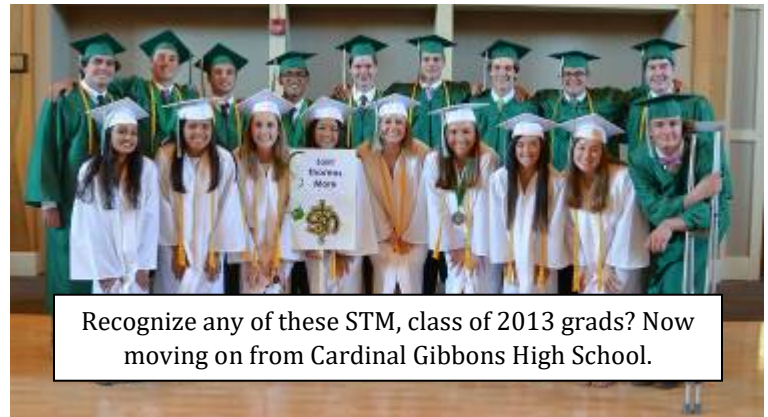

<https://www.surveymonkey.com/r/W5TV9H8>

- **ALSO FOR GRADUATING 8TH GRADERS:**

We also wish to keep in touch with our growing alumni base, as they are a vital piece of the school's support system. The link below gives you the opportunity to include your family in a two year reflection after your child is in 10th grade.***

***The identifying information on this survey will remain separate from the information contained within other surveys.

WE NEED YOUR OUTGROWN UNIFORMS!

The HSA and school office work together to re-use and re-cycle as many used uniforms as possible. Please call ahead and bring any spare items that others can use next year.

A PERSONAL NOTE FROM THE PRINCIPAL

I have been blessed and overwhelmed by the outpouring of prayers, supporting words and even job search advice after my unexpected change this spring. The effects of those prayers have certainly been the unexplainable calm and peace I have felt through what has been a crazy, chaotic and surprising career change journey. Please accept my deepest appreciation for all of the joy and growth experiences here that have launched me to my next challenge. Beginning July 1, I will serve the Archdiocese of Omaha, Nebraska as their next superintendent. Please pray for me as I will certainly need it, as I transition from 400 students to 19,000 students! But pray first for Darrell Fulford and his family, and all those who have significant changes between this school year and the next.

Always In Christ and with love,

Michael W. Ahl

**SUMMER OFFICE HOURS BEGIN NEXT WEEK
TUESDAY, WEDNESDAY, THURSDAY
9AM – 1PM**
